

Quick Fix Macadam

Permanent Pothole
and Utility Repair

Kilsaran Quick Fix Macadam is the ideal solution to make permanent repairs to potholes, driveways, footpaths and many other surfaces.

- Cold applied, instant and permanent asphalt repair material
- Similar performance to hot laid tarmacadam
- Ready to use in wet or dry conditions, does not require heating
- Can be applied at temperatures between -10°C to +35°C
- Manufactured with a high polished stone value (PSV) ensuring a safer driving surface and increased durability
- Available in Standard bags
